- Family members who have quarantined together are not expected to social distance from one another.
- Wear a face cover when you are unable to social distance or stand 6 feet apart. Bring your own mask. Just use common sense. Besides, it's cool to be covered!
- Wash your hands often and use hand sanitizer. We will have hand sanitizer available.
- Please do not offer to shake hands with anyone.
- An Isolation Station will be located near the EMS Station for persons feeling ill. If you think you have a fever or start to feel ill, please do not go to the EMS Station. We have a separate Isolation Station for this purpose. Please go there so you do not infect the EMS Station.
