

Most Wanted Fine Art Street Stock Rules And Regulations

Rules

This class was created to have fun and fun for the fans to watch (Total Carnage). If you come with a vehicle that is built any more than what is listed below you will not run.

1. Any 1980 and newer 2-wheel drive passenger car/ mini-van/mini-truck/mid-size suv
2. All vehicles must be stripped off all plastic, glass, headlights, taillights and anything else that could fall off onto the track during the show **MUST BE REMOVED**.
3. All vehicles must remain stock, **ABSOLUTY NO WELDING ANYWHERE**.
4. Bumpers must remain stock, do not alter bumper in anyway. Factory bumper shocks must remain in factory location. You may remove rear bumpers and shocks. There is no welding to be done on bumpers. We Ask That You Wire Your bumpers on to keep them from falling on the track and having to stop the derby.
5. Batteries may be left in stock location and spray foam may be added around battery. You may also move battery to passenger floor it must be bolted to floor. Please make sure battery cannot move.
6. If factory gas tank is in front of axle you may leave it there. If it's behind the axle, you must move it to the rear seat area. Factory tanks **CAN NOT** be moved inside car . After marker tanks may be used.
7. All doors may be wired or chained in 6 places max per seam.A inner drivers door plate is highly recommended
8. Trunks, hoods, tailgates, all may be wired or chained in 6 places total. Sheet metal to sheet metal only. Nothing to frame. Bumpers should have 9 wire 2 strands max holding the Bumper from falling off . If you remove trunk< or tailgate you lose the trunk or tailgate wire or chain.
9. Rear seat bar and halo Bar may be added. It may be welded to post and back seat bar If you have to add something to get it away from seat please call. This is only to stop sides and roof from coming in, not to help any other part of the vehicle.
10. Drivers' door only may have a plate welded to the outside or inside. This is for driver safety.
11. DOT tires only. Stock wheels only, all wheel weights must be removed. Only tubes and air are permitted inside of tires.

Questions call or text Frankie Guy 724-557-7428

These rules are cut and dry, you should not have to call to ask many questions on this class. If it does not say you can do it then that means **YOU CANNOT** do it. Quick and easy build.
